

# State, Roma Population and Forms of Social Resistance and Integration in South-east Europe

**Workshop at CBEES, Södertörn University,  
Wednesday 15 May 2019, 9.00–18.00 in MA 796**

**The workshop examines the various ways in which the Roma population responded to policies of social and economic modernization in various countries in Southeast Europe. The workshop highlights different forms of daily resistance against the state policies of economic and social control and invites discussions and exchange of opinions.**

**Keynote speaker:**

**ȘTEFAN DORONDEL, Institute of South East European Studies, Romanian Academy**

**Organizer:**

The Centre for Baltic and East European Studies (CBEES),
